CLASSIFIED BUSINESS DIRECTORY.

COMPILED AND PUBLISHED BY

R. L. POLK & CO.,

DES MOINES, IOWA.

*Entered according to the Act of Congress, in the year 1899, by R. L. Polk & Co., in the office
of the Librarian of Congress, at Washington, D. C.*

INTRODUCTORY.

IT IS not important that the publishers of this Directory should enter into an extensive preamble as to its contents. This, the eighth edition of the Des Moines City and Polk County Directory, has been prepared with the same minute care which characterizes every directory bearing the name of R. L. Polk & Co. as publishers.

The experience of many years in the directory business has been of incalculable advantage to the publishers in obtaining the necessary information from innumerable sources and compiling it in the most convenient form for quick reference. The new Directory is an actual inventory of the public—its affairs—business, civic and otherwise.

The name, occupation, residence of each individual is shown; manufacturing and commercial interests, government, business, professional and religious organizations are all represented with the positive proof of their existence.

This issue of the Directory contains 660 pages of names and addresses, an average of 51 names to each page, making 33,660 in all. Deducting from this amount 5% for firm names, deaths and removals, leaves 31,977 names. On the basis of an average of $2\frac{1}{2}$ persons to each name (this multiple being the smallest one used by any directory concern) indicates a population of 79,943, a gain of 3,943 names or 9,858 population.

Persons not familiar with the scope of the information given in this Directory are respectfully referred to the general index and index to miscellaneous information on page 43; index to advertising commencing on page 45; Valley Junction index on page 47, following which is a list of alterations, removals, etc., received too late for insertion in the alphabetical portion of the book.

We take pleasure in calling attention to the Polk County Resident Directory (pages 790 to 848 inclusive) giving name, township and post-office address of persons residing beyond the city limits, which is quite a factor in making this book indispensable to whomsoever consults it as a reference.

STREET AND AVENUE GUIDE.

EXPLANATION.

IN ARRANGING "The Street and Avenue Guide" for the City of Des Moines, the following plan has been adopted (and approved by the City Engineer): All streets on the west side of the Des Moines river have been designated by the same name or number alone, abolishing the prefix "west" except in the case of numbered streets south of Vine; for example: Walnut, Vine, Grand av., Locust. In the case of the numbered streets, all north of Vine are designated as 1st, 2d, 3d, 4th, etc., and south of Vine, w so 1st, w so 2d, w so 3d, etc. Streets east of the Des Moines river which run through to the west side of and beyond the river are designated as e Vine, e Court av, e Walnut, e Locust, etc.; the numbered streets north of Vine as e 1st, e 2d, e 3d, e 4th, etc., and south of Vine as e so 1st, e so 2d, e so 3d, etc. Streets on either side of the Des Moines river which do not run through from west to east Des Moines, are designated by their names without any prefix; for example: Maple, Buchanan, School, University, etc. If located south of the Coon river, the name of the street is followed by (S D M); if north of the Des Moines river (Highland Park).

The following abbreviations are used: Av for avenue, al for alley, bet for between, boul for boulevard, D M for Des Moines, n for north, rd for road, s for south, w for west, e for east, nw for northwest, sw for southwest, junct for junction, opp for opposite, dr for drive.

Following the description of each street or avenue will be found the names of intersecting streets, in the order of their intersection.

The Keeley Institute,

807 WALNUT STREET

Has now been in continual operation for the past ten years. The many thousand cured men and women throughout the state of Iowa will testify to the efficiency of DR. LESLIE E. KEELEY'S remedies for the cure of Drunkenness, Morphine, Opium and other drug addictions. The TOBACCO HABIT successfully treated. There is no sickness — no impairment of your physical system; on the contrary, your nervous system is renewed and strengthened. You return to your home and friends your normal self.

Consultations are confidential. Call at the Institute and talk with us about your case, or write for further information. Treatment identical with that given at Dwight, Illinois.
